

## Spanish 2nd Grade CCSS Vocabulary Word List

**Revised 5/19/16**

| English                          | Spanish                                 |
|----------------------------------|---|
| a.m.                             | a.m.                                    |
| add                              | sumar                                   |
| addend                           | sumando                                 |
| Additive Identity Property of 0  | Identidad aditiva de la propiedad de 0  |
| analog clock                     | reloj analógico                         |
| angle                            | ángulo                                  |
| array                            | matriz                                  |
| Associative Property of Addition | Propiedad asociativa de la suma         |
| attribute                        | atributo                                |
| bar graph                        | gráfico de barras                       |
| bar model                        | modelo de barras                        |
| base-ten numeral form            | sistema de base diez en forma de número |
| base-ten numerals                | números del sistema de base diez        |
| category                         | categoría                               |
| cent                             | centavo                                 |
| centimeter                       | centímetro                              |
| circle                           | círculo                                 |
| closed shape                     | figura cerrada                          |
| column                           | columna                                 |
| Commutative Property of Addition | propiedad commutativa de la suma        |
| compare                          | comparar                                |
| compensation                     | compensación                            |
| compose                          | componer                                |
| cone                             | cono                                    |
| count back                       | contar hacia atrás                      |
| count on                         | contar hacia adelante                   |
| count up                         | contar hacia adelante                   |
| cube                             | cubo                                    |
| customary system                 | sistema inglés                          |
| cylinder                         | cilindro                                |
| data                             | dato                                    |
| decimal point                    | punto decimal                           |
| decompose                        | descomponer                             |
| difference                       | diferencia                              |
| digit                            | dígito                                  |
| digital clock                    | reloj digital                           |

## Spanish 2nd Grade CCSS Vocabulary Word List

**Revised 5/19/16**

|                      |                              |
|----------------------|------------------------------|
| dime                 | moneda de diez centavos      |
| dollar               | dólar                        |
| doubles              | dobles                       |
| edge                 | arista                       |
| equal                | igual                        |
| equal groups         | grupos iguales               |
| equal parts          | partes iguales               |
| equal shares         | partes iguales               |
| equation             | ecuación                     |
| estimate             | estimación                   |
| even number          | números pares                |
| expanded form        | forma desarrollada           |
| expression           | expresión                    |
| face                 | cara                         |
| fact family          | familia de operaciones       |
| fewer                | menos                        |
| foot                 | pie (ft)                     |
| fourth of            | cuarto de                    |
| fourths              | cuartos                      |
| greater than         | mayor que                    |
| half hour            | media hora                   |
| half of              | mitad de                     |
| half past            | y media                      |
| halves               | mitades                      |
| hexagon              | hexágono                     |
| horizontal bar graph | gráfica horizontal de barras |
| hour                 | hora                         |
| hour hand            | horario                      |
| hundred              | cien                         |
| hundreds             | centenas                     |
| inch                 | pulgada (in)                 |
| key                  | clave                        |
| length               | longitud                     |
| less than            | menor que                    |
| line                 | recta                        |
| line plot            | diagrama de puntos           |
| making ten           | formar una decena            |

## Spanish 2nd Grade CCSS Vocabulary Word List

**Revised 5/19/16**

|                   |                          |
|-------------------|--------------------------|
| measuring tape    | cinta métrica            |
| meter             | metro                    |
| meter stick       | regla de un metro        |
| metric system     | sistema métrico          |
| midnight          | media noche              |
| minute            | minuto                   |
| minute hand       | minutero                 |
| money             | dinero                   |
| more              | más                      |
| more than         | más que                  |
| nickel            | cinco centavos           |
| noon              | mediodía                 |
| number            | número                   |
| number line       | recta numérica           |
| number name       | nombre del número        |
| numeral           | número                   |
| odd number        | número impar             |
| ones              | unidades                 |
| p.m.              | p.m.                     |
| pair              | par                      |
| partition         | dividir                  |
| pattern           | patrón                   |
| penny             | un centavo               |
| pentagon          | pentágono                |
| picture graph     | gráfica con dibujos      |
| place value       | valor de posición        |
| quadrilateral     | cuadrilátero             |
| quarter           | veinticinco centavos     |
| quarter hour      | cuarto de hora           |
| quarter of        | un cuarto                |
| quarter past      | y cuarto                 |
| rectangle         | rectángulo               |
| rectangular prism | prisma rectangular       |
| regroup           | reagrupar                |
| related facts     | operaciones relacionadas |
| repeated addition | suma repetida            |
| rhombus           | rombo                    |

**Revised 5/19/16**

|                            |                                    |
|----------------------------|------------------------------------|
| row                        | fila                               |
| ruler                      | la regla                           |
| side                       | lado                               |
| skip count                 | conteo saltado en forma ascendente |
| solid shape                | figura sólida                      |
| sort                       | clasificar                         |
| sphere                     | esfera                             |
| square                     | cuadrado                           |
| standard form              | forma estándar                     |
| subtract                   | restar                             |
| sum                        | suma                               |
| survey                     | encuesta                           |
| tally chart                | tabla de conteo                    |
| tally mark                 | marcas de conteo                   |
| tens                       | decenas                            |
| third of                   | tercio de                          |
| thirds                     | tercios                            |
| thousand                   | millar                             |
| three-dimensional shape    | figura tridimensional              |
| time                       | tiempo                             |
| trapezoid                  | trapezoide                         |
| triangle                   | triángulo                          |
| two-dimensional shape      | figura bidimensional               |
| unit                       | unidad                             |
| vertex (plural - vertices) | vértice                            |
| vertical bar graph         | gráfica vertical de barras         |
| whole                      | entero                             |
| whole numbers              | números naturales (enteros)        |
| word form                  | deletreo de los números            |
| yardstick                  | regla de una yarda de largo        |
