

Granite School District Purchasing Department Furniture Buying Guide

****REMINDER: Check with the surplus warehouse, it will often have basic furniture that can meet your needs. Reach out to David Greer for availability. dgreer@graniteschools.org (385) 646-5683**
Public Surplus (publicsurplus.com) is another resource and where schools will auction off items. **

If neither the warehouse nor public surplus has what you are looking for, reach out to any of the following vendors for a quote. Many provide free design services if you are doing an entire room. They can provide a variety of furniture, whether redoing an entire office or replacing just a few pieces.

Vendor	Contact	Contract/ Furniture provided
