Internships

The CTE teaching internship provides an opportunity for students to instruct with a teacher in an actual elementary or secondary classroom setting. This Work-Based Learning experience is designed to bridge the gap between school and work. Students may register for the course at their high schools to participate.

Granite School District does not discriminate on the basis of race, color, sex, pregnancy, religion, national origin, marital status, disability, sexual orientation, gender identity, age, or any other legally protected classification in educational programs, activities, or access to facilities.
