

Early Childhood Education 3

Career & Technical Education Website: www.graniteschools.org/cte

Course Information

Location: Check with your Career Center Coordinator
Offered to: 11-12 grades
Length: Semester/Year
Credits: .5 - 1 credit
Prerequisites: Early Childhood Ed. 1 & 2

Course Description

This course builds on what the student learned in Early Childhood Education 1 & 2, providing them an opportunity to be lead teachers in a professional preschool lab setting. Students will teach young children, demonstrate positive employment skills, and complete the steps to apply for the Child Development Associate (CDA) Credential.

Topics Include:

- Model appropriate teaching practices
- Demonstrate positive guidance principles
- Plan developmentally appropriate preschool lessons
- Expand portfolios with activities for the following areas:
 - Language/literacy
 - Math
 - Creative arts
 - Music movement
 - Dramatic play
 - Food experiences
 - Free play
