Course Information

Location: Check with your Career Center Coordinator
Offered to: 9-12 grades
Class Times: 1 period
Length: Semester
Credits: .50 credit

Course Description

This sewing class introduces students to intermediate sewing with an emphasis on sport and outdoor sewing projects and products. Students will learn use of the serger as well as pressing techniques, textile construction, and choosing appropriate textiles for a project.

Topics Include:

- Types of fabric construction
- Pre-construction techniques
- Construction techniques at the intermediate level
- Individual sewing projects
- Use and care of sergers
