### Divisions

**Division I:** Bonneville, Bennion, Churchill, Granite Park, Wasatch, Olympus, Evergreen, Eisenhower

**Division II:** Hunter, Jefferson, Kearns, Kennedy, Matheson, West Lake, Valley,

### Length of Contest

Playing time shall be four quarters of eight minutes each with intermission of one minute after the first and third quarters, and 10 minutes between halves.

### Championship Game Criteria

Seeding for the championship game will first be determined by the regular season record. The team with the best record from Division I will place the team with the best record from Division II. For the championship game of Division I Girls and Division II Boys will travel

1. Best Record
2. Head to Head
3. Fewest Points Allowed
4. Sportmanship Rating Card
5. Coin Toss

### Example

Team D is undefeated with a record of 5-0, while three other teams (A, B, &C) finished with a record of 3-2. Team A beats Team B, Team B beat Team C, and Team C beat Team A. Team D would be ranked number one in their division having the best record. Teams A, B, and C all the have the same record so the next criteria of head to head would be used. Since all three teams have lost to each other criteria three would be used. Team C has allowed the smallest number of point during division play so they would receive the number two ranking. When deciding the rank between remaining teams the process of criteria evaluation would begin again looking at best record then head to head. Having the same record the head to head outcome in their division game would be used. Team A defeated Team B in their game so Team A would be ranked 3 and Team B would be ranked 4.
