Utah's Pioneer Online Library and the Utah Education Network are pleased to announce this selection of Gale reference databases for K-12 schools statewide:

**BIOGRAPHY IN CONTEXT** Biographies on more than 325,000 people from throughout history and around the world.

**DISCOVERING COLLECTION** Thousands of overview essays, critical analyses, biographies, primary sources, creative works and multimedia elements in five core subject areas - history, literature, biography, science and social studies - comprise this comprehensive and intuitive online resource.

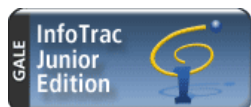

**GLOBAL ISSUES IN CONTEXT** Features hundreds of continuously updated, media-rich issue and country portals that bring together a variety of specially-selected, highly-relevant sources for analysis of social, political, military, economic, environmental, health and cultural issues.

Donated by the Hattie D. Munk Library Endowment Fund

**KID'S INFOBITS** Thousands of age-appropriate articles, eBooks and images, designed with kids in mind.

**INFOTRAC JUNIOR** Full-text titles, including major periodicals and acclaimed Gale references, support the middle-school curriculum.

**INFOTRAC NEWSSTAND** Provides access to more than 1,100 major U.S. regional, national and local newspapers as well as leading titles from around the world.

**INFOTRAC STUDENT EDITION** A periodical database with access to a variety of indexed and full-text resources designed for high school students.

**OPPOSING VIEWPOINTS IN CONTEXT** An online library of current event topics with facts and arguments for and against each topic.

**SCIENCE IN CONTEXT** Detailed information for science assignments and projects, including articles, biographies, videos, overviews and experiments.

**STUDENT RESOURCE CENTER JUNIOR** A fully integrated database containing thousands of curriculum-targeted primary documents, biographies, topical essays, background information, critical analyses, and full-text coverage of over 300 magazines and newspapers and over 20,000 photographs and illustrations.

**STUDENT RESOURCES IN CONTEXT** Offers cross-curricular content aligned to Utah State Standards and reinforces development of skills like critical thinking and problem solving, communication, collaboration, and innovation.
