

OUR MISSION

#GSEDETECH

Equip every student and teacher with technology and 21st century skills

TECHNOLOGY COACHING

Technology Coaches In elementary schools, technology coaches provide technology integration coaching, co-teaching, training, and support to all teachers

Library Technology Coaches In secondary schools, library technology coaches manage the school library media center and provide technology integration coaching, co-teaching, training, and support to all teachers

PROFESSIONAL DEVELOPMENT

Weekly Lesson Resources Granite’s Educational Technology Department and Curriculum and Instruction Department have centrally created tech-integrated lesson resources for all weeks of the school year—these engaging lessons and resources are available for all teachers to use with their students

Edtech.fun / TIP Course Technology Integration Progress (TIP) tutorials and on-demand PD focused on effective use of technology for learning and instruction—find it all at edtech.fun

Ed. Tech. Endorsement Program Educational Technology Endorsement Program (ETEP) is a comprehensive PD program centered on integrating technology and 21st Century learning skills into classroom practice

LIBRARIES

School Library Media Centers Each school has dedicated library staff who promote reading with students and maintain relevant, diverse collections of print materials and resources for students and teachers

Granite Media Curated book lists, reviews, and recommendations from Granite librarians, teachers, and students, and digital resource collections for teaching and learning—find it all at granitemedia.org
