

Article IV.H. Assistant Directors

Under the direction of a member of the superintendency, or a director, Assistant Directors shall:

- A. Assist with the coordination of a district-wide program of the management of an administrative department.
- B. Assist in program budget development and management for their specific area of responsibility.
- C. Monitor program compliance so as to meet district, state and federal regulations.
- D. Act as an expert advisor to principals, teachers, district departments, administrators, patrons, legislative groups and civic groups.
- E. Attend appropriate district, state and other agency meetings. This includes committee membership.
- F. Perform other duties as assigned or delegated by supervisor.
