

# Pandemic-Electronic Benefit Transfer (P-EBT) Reconsideration Information for Parents/Guardians

Important information for parents or guardians of students that would like to have their student's P-EBT benefit level reconsidered.

## What is reconsideration?

There may be months when your student's school schedule (hybrid or remote) was different from what the district/school reported (in-person or hybrid) to the state. In that case, parents/guardians may request to have their student's benefit level reconsidered. Students may be P-EBT eligible if they were receiving a hybrid or remote/online learning model in one or more of the following months:

September 2020, October 2020, November 2020, December 2020,  
January 2021, February 2021, March 2021, April 2021, May 2021

## Who can you contact if you would like to apply to have Pandemic-EBT benefits reconsidered?

**Kimberly Carter**  
**385-646-5506**  
**klcarter@graniteschools.org**

## What information do you need to provide to the school/district for reconsideration?

Complete a Reconsideration Intake Form available <https://www.graniteschools.org/nutritionservices/>  
The Reconsideration Intake Form will provide information needed to submit the form.

## Is there a due date to submit a reconsideration request?

The Reconsideration Intake Form must be fully completed, signed, and submitted to the school/district no later than close of business on August 2, 2021.

## Where should you go if you have questions about the P-EBT program or benefits?

The DWS website <https://jobs.utah.gov/covid19/pebt/>. The website provides a current list of qualifying schools, Frequently Asked Questions, and contact information.

This institution is an equal opportunity provider.
