

PRIMARY CHILDREN'S BEHAVIORAL
HEALTH

CRISIS PARTIAL HOSPITALIZATION PROGRAM (PHP)

A multidisciplinary mental health treatment program consisting of therapy, group, and medication management.

Treatment is an average of five days, 8:30am-2:30pm with admissions available weekdays. A school release is provided by clinical staff.

**5770 S 1500 W
BUILDING E
TAYLORSVILLE UT 84123**

To access this program, please call **801.313.7711** and you will be asked to complete a brief psychosocial assessment over the phone. The intake team will send the request to our therapists and we will coordinate an admit if the program is a good fit.
