CHECK THE BOX THAT IDENTIFIES WHY A CONTRACT/PURCHASE ORDER SHOULD BE AWARDED WITHOUT ENGAGING IN A STANDARD PROCUREMENT PROCESS:		
<input checked="" type="checkbox"/>	There is only one source for the procurement item.	Complete section A
<input type="checkbox"/>	Transitional costs are a significant consideration in selecting a procurement item and the results of a cost-benefit analysis demonstrate that transitional costs are unreasonable or cost-prohibitive, and that the award of a contract without engaging in a standard procurement process is in the best interest of the procurement unit	Complete section B
<input type="checkbox"/>	The award of a contract is under circumstances, described in rules adopted by the applicable rulemaking authority, that make awarding the contract through a standard procurement process impractical and not in the best interest of the procurement unit.	Complete section C

SECTION A: ONLY ONE SOURCE

1.	What is unique about this procurement item to justify an award of contract without engaging in a standard procurement process? (Explain in detail why the service or product is only available from a single supplier.) A new HitTrax system is roughly \$20,000 (bid has been provided) and there are only 3 or 4 of these systems in the state of Utah currently so there is no true resale market and this is the only used one I have ever seen for sale and great opportunity to purchase it due to it being "affordable" relative to new system which price point is not an option for us. This specific unit was used in the retail store that had a batting cage and that store is now closing and going out of business, thus the unique opportunity to purchase presented itself.
2.	Could the procurement item be reasonably modified to allow for competition? No. The other option is purchase a new systmc for \$20,000 which we don't have in the baseball budget.
3.	Explain the market research performed. I have used the HitTrax system at 2 of the 3 locations in the state that have them and understand first hand the advantages they present to playes especially in cold weather states such as Utah where we have to spend a lot of time indoor and not on the field
4.	What research have you conducted to ensure the requested procurement item is not available on an existing district or state cooperative contract? Looked all over the internet for one and even called the manufactor. There are only 3 or 4 in the state currentlty so options are very limited
5.	If there is only one source for the procurement item, list the names of other similar vendors contacted, contact person, and a summary of their response, Called the manufactorer - HitTrax and spoke with Andrew about the system and a new one from whom I got the bid

SECTION B: TRANSITIONAL COSTS – If you have selected Section B you must also complete Attachment A – Cost Benefit Analysis

1.	Describe the existing equipment, technology, software, accessories, replacement parts, or service, hereafter referred to as equipment; include the original purchase price and date of purchase for the existing equipment.
2.	Please supply the following: a. Procurement method that was used to purchase the existing equipment? (IFB, RFP, Sole Source): b. Bid number, P.O. #, Requisition #, or sole source number for the existing equipment: c. Contract number for the existing equipment:
3.	Complete "Attachment A - Cost-Benefit Analysis", as required by Utah Code Section 63G-6a-802 that demonstrates that transitional costs are unreasonable or cost-prohibitive.

SECTION C: STANDARD PROCUREMENT PROCESS IMPRACTICABLE

1.	Cite the applicable rule adopted by the applicable rulemaking authority that provides that awarding the contract through a standard procurement process is impractical and not in the best interest of the procurement unit under the circumstances; including any supporting documentation.
----	--

2.	Please supply the following, if applicable:
a.	Procurement method that was used to purchase the existing equipment? (IFB, RFP, Sole Source):
b.	Bid number, P.O. #, Requisition #, or sole source number for the existing equipment:
c.	Contract number for the existing equipment

Approvals

Approved (less than \$1,000.00) or Requested by (greater than \$1,000.00):	
	11-16-21
Department/School Administrator	Date
Approved by Purchasing Agent for Award (less \$25,000.00):	
	11.18.21
Purchasing Agent	Date
Approved by Director for Award (greater than \$25,000.00):	
Director of Purchasing	Date
