

Granite School District Purchasing Department

Remanufactured Ink/Toner for HP Printers

(This contract is not for OEM (original HP) Ink/Toner. See MA4030-ODP (previously Office Depot/Office Max) and MA4029-Staples Advantage.)

Contract Number: 24-801

Effective Date: October 1, 2023

Expiration Date: September 30, 2024

Renewal Options: Annual renewals through 9/30/2028

Vendor: Innovative Print Consulting

Vendor Number: 142613

Contact: Chalise or Ronnie

Phone Number: (801) 999-4529

Email: chalise@iprintc.com or ronnie@iprintc.com

Contract Pricing: See attached sheets (If a product is not included, please

contact the Buyer listed below)

Ordering Process: Follow Granite School District procurement/payment policies

and procedures.

See attached contract sections for details regarding warranty

and empties.

Buyer: Julie Fisher **Phone:** (385) 646-4309

E-mail: jlfisher@graniteschools.org

9. Describe your ordering, delivery and/or shipping process and ability to meet the requirements.

IPC accepts orders by telephone, email and online ordering. Orders are processed when they are received, with no minimum order size required. Orders received before 2:30 pm MT will be processed that same day and will be delivered within 1-2 business days. All orders will be shipped F.O.B. destination with inside delivery at no cost to GSD. There will be no minimum order requirement.

In the rare event that an order cannot be delivered within 2 business days, IPC will notify the end user and provide an estimated time of delivery.

IPC has not required a minimum order size for any GSD orders and will not require a minimum order in the future.

10. Describe your warranty and process for handling defective cartridges and your ability to meet the requirements.

Use of toner supplied by IPC will not void any manufacturer's warranty of the equipment (copier, printer, and/or fax).

Pickup and return of defective and/or incorrect cartridges will be the responsibility of IPC and will be provided at no cost to GSD.

Toner cartridges have a two (2) year manufacturer's warranty for defects in workmanship and/or materials, and IPC will extend the warranty for toner cartridges for the life of the cartridge for the GSD account.

All toner products provided by IPC have a less than 2% defective rate. Although this is a very low rate of defective cartridges, we understand the inconvenience and downtime caused by defectives. We have created a simple system for our customers to get a replacement cartridge expediently. Upon notification of a defective cartridge, we order a free replacement cartridge to be shipped to the location of the defective cartridge within two (2) business days, and issue a \$0 invoice for the replacement cartridge. We will pick up the defective cartridge from the location, package it for shipping and return it to our vendor for credit.

This system eliminates the complicated process of issuing a credit memo for the original (defective) cartridge, and then charging for the replacement cartridge on a new invoice. There is no hassle for the customer to track a credit memo, process an invoice for the replacement cartridge, pack up the defective cartridge and ship it back to our vendor. IPC takes care of everything in order to minimize the inconvenience for our customers.

IPC will perform any needed equipment cleanings that are the result of an IPC supplied defective toner cartridge within two (2) business days of notification, at no cost to GSD. Our technicians conduct themselves in a professional manner and will be courteous and respectful while responding to service calls for GSD. The printer and surrounding work area will be left clean, and free of waste and debris upon the completion of the service call.

If an IPC supplied toner cartridge damages GSD equipment, IPC would work with GSD to determine the extent of the damage and will replace the equipment with a comparable replacement as determined by GSD's Information Systems department staff.
