

HOW TO PLACE AN ORDER

The printers listed are taken from Information Systems' recommended hardware list. Pricing is updated monthly after Purchasing conducts a Request for Quotation. There is no need to obtain additional quotes if you are buying one of the printers listed below. Depending on the dollar amount and/or budget being used, printer(s) may be ordered using a Pcard, Pay Voucher, or by entering a requisition. If a Pcard or Pay Voucher is used, a copy of the page showing the printer ordered should be kept with the payment method file. Any questions: Contact Danielle x8454

Prices are good through April 30, 2024 (unless otherwise noted)

N = Network - D = Duplexing - W = Wireless*

(*If the printer is not networked, wireless printers are only supported for use with mobile laptop carts. You may contact Information Systems for questions regarding this.)

Black/White LaserJet Printers:

Model #: HP M611DN
