If the student last attended Granite High School you would make your request to this office.

If the student did not graduate from Granite High, but attended night school, you would contact  
Granite Peaks/Connection at 385-646-5447

If the student graduated from a different High School in the Granite School District you would need to  
contact the registrar at that high school. We only have records for Granite High School.

**Verification will be given within 24 hours of receiving payment & necessary information.**
