

Dear Parents,

As a part of our commitment to providing your student with the best learning tools available, Utah State Office of Education has partnered with **Shmoop** University to provide your high school students access to **Shmoop's** Online Test Prep for the ACT/PLAN.

**Your Students Can Access their Shmoop Accounts by:**

- Visiting <http://www.shmoop.com/signup/utah>
- Finding their high school signup page
- Create their username and password.
- Enter Magic Word : **ARCHES**

Once students create their personal Shmoop account they will be able to access **practice exams, 100s of drill problems, and review guides to all the topics** that will be on the exams. Each practice problem comes with in-depth explanations and even projected exam scores to help your student prep for the big day.

**ACT/PLAN Exam Prep from Shmoop provides:**

- 21st Century Online Test Prep that won't make you snooze
- Diagnostic Exam
- Shmoop's Student Dashboard display realtime student progress. You can identify what's good, and what's not so good, and what's in dire need of some more Shmoop'ing in each ACT/PLAN Skill Area
- Multiple full-length practice exams to get that full-length experience
- 1,000+ Vocabulary Words and Flashcards
- Hundreds of topic specific test prep drills that immediately project the score, along with a thoroughly explanation of how to solve the questions.
- Math Shack is an interactive game that auto-generates thousands of math problem. It's unlimited entertainment and a clear route to skill mastery, all rolled into one.
- Track, review, and improve your scores
- Chance to earn Shmooints, climb the leaderboard, and win Shmoop gear

Shmoop.com is accessible to any device that connects to the Internet, including iOS and Android tablets. We do not use Flash in our test prep tools and services and develop with HTML5 as much as the standard is supported in each browser. Smartphones are also able to access our content.

We encourage YOU the parents, to be involved and even try using your brain. Login, take a few drills, use the vocabulary flashcards, and explore this Shmoop world! It speaks your student's language with "Big Scores, No Snores".
