

Granite School District
2020-2021 Junior High School Fee Schedule

All fees listed are the maximum amounts that may be charged per pupil for each activity, class or athletics participation. Actual fees are determined by the local school according to budgeted cost of program and may vary. For school activities and athletics that require fees, tryouts must be concluded and the participants selected before fees are assessed. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
