

Granite School District
2021-2022 Senior High School Fee Schedule

Fee Amounts and Spend Plans - All fees listed on this schedule are the maximum amounts approved by the Board of Education that a school may charge per pupil for participation in the named activity, class, group, or team. The types of expenditures funded with student fees include ancillary personnel costs, educational services, employee training, professional services, technical services, student travel, advertising services, printing services, activity and student supplies, student food, technology supplies, equipment and facility enhancements, and club dues. Planned expenditures vary by program and school due to the unique needs and specific plans made at each school. Prior to registration, the fee amounts and associated spend plans approved by the principal for each program at each school are published online at schoolfees.graniteschools.org. Parents are encouraged to refer to their school's fee schedule for detailed fee and spend plan information. For school activities that involve tryouts, participants must be selected before fees are assessed.

This amount is the maximum a student will be required to pay or voluntarily individually fundraise for each school year. This maximum fee cap applies to up to 3 co-curricular / extra curricular activities. Students who participate in activities beyond this limit may be subject to the full fee amount for these additional activities. The maximum fee cap does not apply to Overnight Student Travel, School Sponsored Admission Fees and required group fundraising.

Schedule of Non-Waivable Charges - The Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, these fines appear with other non-waivable charges on the Board approved Schedule of Non-Waivable Charges rather than on this Fee Schedule.

Pursuant to Utah Code 53G-6-704 and Utah Admin. Code R277-494, all home school, private school, and charter school students who participate in extracurricular activities must pay the applicable activity-specific fee(s) from above. For students who attend a charter school and participate in extracurricular activities, the charter school of enrollment must also pay a one-time annual school participation fee of \$75.00 to the school where the student is participating in the activity. Such students are not subject to the basic registration fee.

This Fee Schedule was approved by the Granite Board of Education on December 1, 2020.
