Dear Board Member,

The Utah State Board of Education Rule R277-477-5B requires that the School Student Achievement Plans (SSAP's) be approved by the district Board of Education and submitted to the Utah State Office of Education along with the School Land Trust Plan. You will be asked to approve the plans as part of the February meeting's consent agenda. For the past several weeks, the School Accountability Directors have reviewed the plans and guided principals in making any necessary changes. You are invited to review the SSAP's between now and February 3, 2015.

Viewing of the SSAP's works best if you use Internet Explorer; do not use Mozilla Firefox or Google Chrome. You may access the plans on the Granite School District internet webpage by clicking on the link below and following the outlined procedure:

<http://ssap.graniteschools.org/>

Select:	Select a School	(upper left corner)
Enter:	ssapmaster	(in box below "Password")
Click:	School Year 2014-2015	(left column)
Click:	Print (Optional)	(upper left corner of new window)

Please note that if Internet Explorer does not display properly, go to the message on the lower left corner of the screen and click for further instructions. For assistance accessing the plans online, call the Department of Educational Equity at 385-646-4205 and ask for Barbara or Garrett.

Thank you,
