Superintendent Martin W. Bates
Granite School District
2500 South State Street
Salt Lake City UT 84115-3110

Dear Dr. Bates:

At the Board of Education meeting scheduled for May 17, 2016, we would like to present, as an action item, changes to the 2016-2017 secondary student fee schedule. Attached is the proposed fee schedule for junior and senior high students. The following changes are recommended:

- **Change “My Access” license to Writing Instruction Platform license** on the Junior and Senior High Fee Schedules.
Rationale: Originally the “My Access” fee was paid by the state office. Currently, the state is not funding licenses for writing instruction platforms. There are several different platforms available to use and schools are making site based decisions on which platform is best for their school. This change will allow schools to apply the fee to a writing instruction platform of their choice.
- **Add Summer Online Original Credit (charge per .25 unit of credit) - \$25.00** on the Senior and Junior High Fee Schedule.
Rationale: Summer term is above and beyond the regular school year adding additional opportunities for students. However, summer term is also above and beyond current educational funding distribution adding additional costs. We have been able to fund summer term for several years’ without assessing a fee to cover operation costs. However, summer online participation is now large enough that additional monies are needed.

Sincerely,

Mike Fraser
Assistant Superintendent
School Accountability Services
