Martin W. Bates, Superintendent
Granite School District
2500 S. State Street
Salt Lake City, UT 84115

Dear Dr. Bates:

The Utah Department of Transportation is asking the Granite School District for a perpetual easement on the Taylorsville High School south west entrance near the sidewalk off of Redwood road. The easement includes 384 square feet. UDOT will pay the Granite School District \$3,640.00 plus a \$1,000.00 bonus if this easement is approved by November 18, 2016. Utilities will be buried under ground in this easement area. Members of the Granite School District Real Estate Committee have reviewed this request, and now recommend that the Board of Education approve this easement.
