Dr. Martin Bates  
Granite School District  
2500 S. State Street  
Salt Lake City, UT 84115

Dear Dr. Bates,

As a consent item at our next board meeting on January 10, 2017, for Board approval, I would like to present Amendment No. 1 of the Interlocal Agreement between Salt Lake County and Granite School District for Cyprus High School and the Brockbank Campus.

In July of this year, the Board entered into the original agreement which allowed Granite School District to hire a contractor to construct improvements on both District property and public right-of-way. Salt Lake County paid for improvements in the public right-of-way. Site conditions encountered in the roadway necessitated changes which were directed by and agreed to by Salt Lake County. The attached modification allows Salt Lake County to pay for the change order in the amount of \$7,600.32.

Sincerely,

Donald Adams  
Assistant Superintendent, Support Services
