RE: Architectural Services for Elementary
School Buildings Security Updates
Requisitions: 652628 through 652642
\$269,457.00

Dear Dr. Bates:

At their October 7, 2014 meeting the Board of Education approved the award of a contract to GSBS Architects for architectural services for the elementary school buildings security updates. The contract scope addresses remodels to accomplish the necessary updates at all 63 elementary schools and to be accomplished over a five-year period. The first round of schools was completed last summer and permission is now requested for the next round of schools.

This request is for approval to issue a purchase order in the amount of \$269,457.00 for the construction document preparation, bidding and negotiations, and construction and administration services for 15 of the 63 elementary schools. The remaining schools will be completed over the next three years. Funds for this expenditure are to come from the Capital Building Improvements fund.

Sincerely,

Approved,
