RE: Conference Keynote Presentations  
and Workshop Trainings  
\$50,000.00

Dear Dr. Bates:

The Educator Support and Development Division is hosting a conference for district educators August 15-17, 2017. At the conference many topics will be presented by a variety of trainers. Many of these presenters are district employees, but others are coming from private firms who specialize in specific topics and are nationally recognized for their presentations and expertise.

The cost proposal from Wavelength Inc. for their presentation services requires Board of Education approval. Their services consist of three keynote addresses and multiple interactive training workshops.

We respectfully request approval to issue a purchase order to Wavelength Inc. for \$50,000.00 for their services. Funds for this expenditure are to come from the District Educational Conference budget.

Sincerely,

Jared B. Gardner  
Director of Purchasing
