Martin W. Bates
Superintendent, Granite School District
2500 S. State Street
Salt Lake City, UT 84115

Dear Dr. Bates:

The Granite School District has received a request from West Valley City for a 929 square foot temporary Construction Easement. The work will be done on Lee Ann St. and Tess Ave. The City is going to install sidewalks next to Hillsdale Elementary School. The easement will last six months after construction begins. The Granite School District Real Estate Committee recommends that the Board of Education approve this temporary easement.
