RE: IT Programming Services
Requisition No: 660280
\$122,000.00

Dear Dr. Bates:

The above listed requisition was submitted to the Purchasing Department over the signatures of Mr. Dale Roberts and Ms. Linda Mariotti. This request is for the purchase of contracted IT programming services. These services are required to augment the Information Systems Department staffing and to provide expert system programming and maintenance services on various district software systems.

These programmers have worked with the district for a number of years and have gained knowledge regarding our systems that would take a new programmer a significant time to learn, causing additional costs and a lack of system support. Therefore the district is acquiring these services from the original supplier as the sole source for these programmers.

This letter respectfully requests permission to issue a purchase order for \$122,000.00 to TEK Systems. Funds for this purchase are to come from the Information Systems Technical Services budget.

Sincerely,

Jared B. Gardner
Director of Purchasing

RE: Contracted Services for Special
Education Parent Training &
Information Center
Requisition No. 660322
\$52,093.00

Dear Dr. Bates:

The above listed requisition was submitted to the Purchasing Department over the signatures of Ms. Noelle Converse and Ms. Linda Mariotti. This request is for contracted services for special education parent training and information center.

These services are provided by The Utah Parent Center which is the parent organization established by the USOE as a neutral parent consultation center as required by the Individuals with Disabilities Education Act.

The Utah Parent Center is the State's only designated Parent Training and Information Center funded by the federal Office of Special Education Programs (#H328M150034) to support Utah parents of children and youth with disabilities. This requires the UPC to collaborate with the Utah State Office of Education, Special Education Section and local agencies providing access the state to ensure meaningful parent involvement as essential participants in planning to meet the needs of their family members within the school system. As Utah's only PTI, the Utah State Office of Education and local education agencies serving children in special education programs are to partner with the UPC to ensure meaningful parent involvement.

We respectfully request approval to issue a purchase order to The Utah Parent Center for \$52,093.00. Funds for this expenditure are to come from the Special Education IDEA-B Disabled Federal budget.
