Dr. Martin W. Bates, Superintendent
Granite School District
2500 South State Street
Salt Lake City, Utah 84115

Dear Dr. Bates:

The City of South Salt Lake is currently updating street light equipment at the intersection of Main Street and 2700 South. The new light pole will require the use of Granite School District land on that corner. The City would like to purchase 440 square feet for \$5,200.00 or \$11.82 per square foot. The Granite School District Real Estate Committee recommends Board approval of this sale.
