Salt Lake City UT 84115-3110

Dear Dr. Bates:

At the Board of Education meeting scheduled for December 5, 2017, we would like to present, as an action item, the 2018-2019 secondary student fee schedule. Attached is the proposed fee schedule for junior and senior high students. The committee recommends the following changes be made to the fee schedule. Alan Parrish, Director of School Accountability Services, will make this presentation.

Junior High Fee Schedule

Reduce the Basic Fee from \$59.00 to \$49.00

The Basic Fee was divided and shared with schools incrementally through Student Body, Textbook, and Technology and \$10.00 was refundable at the end of the year if all fees, fines were paid and all texts returned. It is proposed that the basic fee be reduced \$10.00 and funds deposited onto the Student Body accounts. Many of the new texts are on-line licenses; therefore, the refund is no longer an incentive for most students. Additionally, the fee charged to students who attend a charter school, private school, or home school and participate in extracurricular activities be reduced to \$49.00.

Add a new category under 8. Open Enrollment Permit Processing Fee

As per statute, *Utah Code 53A-2-207(A)* schools may charge a one-time \$5.00 processing fee for open enrollment permits. This has been our practice but the fee has never been listed as part of the fee schedule, we propose adding it to the schedule.

Senior High Fee Schedule

Reduce the Basic Fee from \$75.00 to \$65.00

The Basic Fee was divided and shared with schools incrementally through Student Body, Textbook, and Technology and \$10.00 was refundable at the end of the year if all fees, fines were paid and all texts returned. It is proposed that the basic fee be reduced \$10.00 and funds deposited into the Student Body account.

Many of the new texts are on-line licenses; therefore, the refund is no longer an incentive for most students. Additionally, the fee charged to students who attend a charter school, private school, or home school and participate in extracurricular activities be reduced to \$65.00.

Increase Extracurricular Participation Fee individual maximum from \$100.00 to \$150.00

The maximum extracurricular participation fee is charged to students who participate in more than one sport or activity. For example, if an athlete participates in both football and baseball, they would pay \$70.00 for football and \$60.00 for baseball, a total of \$130.00 in participation fees. Occasionally, athletes participate in more than two sports. The maximum the athlete would pay would be \$150.00 for all three (or more) sports.

Currently, the maximum is set at \$100.00. Football would collect \$70.00 because it is a fall sport. That would leave only \$30.00 for any other sport in which that athlete also participates. The current limit creates inequity and difficulty in equalizing payment amongst sports/activities. Raising the limit, would provide a better means to equally support all extracurricular activities/sports in a fair and equitable way.

Add a new category under 8. Open Enrollment Permit Processing Fee

As per statute, *Utah Code 53A-2-207(A)* schools may charge a one-time \$5.00 processing fee for open enrollment permits. This has been our practice but the fee has never been listed as part of the fee schedule, we propose adding it to the schedule.

Adjust verbiage and fee amount for High School Course Proficiency Test

Over the years, the cost of the AP test has continued to increase and it has not been accurately reflected on the Fee Schedule. The current cost of the test is \$93.00; the Fee Schedule lists the cost as \$85.00. It is proposed that High School Course Proficiency Test be changed to AP Test and the cost listed as “cost of item”.

Adjust verbiage and fees under 9. Optional Purchases

The category “9. Optional Purchases” has been replaced with “Charges not required to participate in “an activity or function sponsored by or through a school.” (Utah Admin Code R277-407)”.

And, currently schools assist in the collection of optional fees for memberships i.e. National Thespian Society, participation fees for leagues or tournaments, concurrent enrollment and sometimes fees for admission to performances and plays. The school collects the fee then pass along the collected fees, in a one-time payment, to the organization. This practice assists students and organizations in providing meaningful experiences and learning. By adding this item, we provide clarity for the collection and passing on of such optional fees.

In addition, language has been added to the top of the fee schedule to clarify the reason fines are not listed on the fee schedule.

Sincerely,

John Welburn
Assistant Superintendent
School Accountability Services

2018-2019 Junior High School Fee Schedule

All fees listed are the maximum amounts charged per pupil for each activity, class or athletics participation. Actual costs are determined by the local school and may vary. All monies spent for each group or activity, including student contributions, fund raisers and donations, must be counted as part of the maximum cost per student for each group or activity. These fees, with the exception of camps, do not include additional costs of any overnight travel. For junior high school activities and athletics that require fees, tryouts must be concluded and the participants selected before fees are assessed. Some of the listed fees are subject to Utah state sales tax. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.

1. Basic Fee **\$49.00**
 Books, Instructional Materials Replacement, Activities-(\$10-refundable at end of year) Student activity fees are used to fund programs such as: school newspaper, literary magazine, plays, musicals, concerts, awards, dances and UHSAA sponsored events.
