Ben Horsley
Granite School District

Dear Ben,

After election results reports were sent to you for your Board of Canvasser's Meeting on November 21st, a small discrepancy in numbers was discovered. One of the last steps taken in preparing the reports is to place the votes for write-in candidates in their respective precincts. During this process, an error occurred making it necessary for us to make corrections in the reports. In some rare instances, numbers were affected where the ballot style was shared with a contest containing write-in candidates. There weren't any changes in the outcomes of the contests, but I suggest you determine if your Board of Canvassers should reconvene to accept the updated results.

Attached is the updated report and canvass stats.

I apologize for any inconvenience this caused. If you have any questions or need additional information please let me know.

Sincerely,

Pam Tueller
Fiscal Administrator
