February 28, 2018

Superintendent Martin W. Bates  
Granite School District  
2500 South State Street  
Salt Lake City, UT 84115

Dear Dr. Bates:

As a consent agenda item at the March 6, 2018 Board of Education meeting, I recommend the School Student Achievement Plans (SSAP's) be approved by the Board. As an administrative report at 5:00, Rick Anthony will explain our new School Improvement Process and the schools participating in it. You will then understand why some schools create a different plan and are not represented by an SSAP.

Sincerely,

Linda Mariotti  
Assistant Superintendent  
Teaching and Learning Services

February 28, 2018

Dear Board Member,

The Utah State Board of Education Rule R277-477-5B requires that the School Student Achievement Plans (SSAP's) be approved by the district Board of Education and submitted to the Utah State Office of Education along with the School Land Trust Plan. You will be asked to approve the plans as part of the February meeting's consent agenda. For the past several weeks, the School Accountability Directors have reviewed the plans and guided principals in making any necessary changes. You are invited to review the SSAP's between now and March 6, 2017.

SSAP's can only be viewed using Internet Explorer; do not use Mozilla Firefox or Google Chrome. If Internet Explorer does not display properly, go to "**please click here**" on the upper left corner of the screen for further instructions. You can access the plans on the Granite School District internet webpage at <http://ssap.graniteschools.org/> and by following the outlined procedure below:

- Select a School (upper left corner)
- Click the Green check mark by the schools' 2017-18 plan
- Plans can be viewed online or printed (click Print in upper left corner)

For assistance accessing the plans online, call the Department of Educational Equity at 385-646-4205 and ask for Garrett.

Thank you,

Charlene Lui  
Director, Educational Equity
