

2018-2019  
Elementary School Fee Schedule

April 10, 2018

# Clarification from USBE on State Board Rules related to fees charged to students

1. Fees under R277-407 is broadly interpreted.
2. In the past, Granite School District has not maintained a fee schedule for elementary school-sponsored extracurricular activities.
3. Because there are fees associated with activities that could meet the definition of school-sponsored activities, in which the District must offer fee waivers, we are seeking board approval for an elementary fee schedule.

1. Elementary Schools may only collect fees, approved by the Board of Education, for activities related to before and after school extracurricular activities.
2. All fees listed are the maximum amounts charged per pupil for each activity.
3. Actual cost will be determined by the local school and may vary.
4. The board authorizes fines for damage caused to district property and for violating rules of conduct.
5. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
