Dear Dr. Bates:

The Granite School District has received an offer from the Utah Department of Transportation (UDOT) to purchase 38 square feet of land, near Eisenhower Jr. High (4351 South Redwood Road, Taylorsville City). UDOT will pay Granite School District \$10.50 a square foot or a total of \$399.00. The property will be used to meet ADA requirements on the south corner of the sidewalk, which runs next to Redwood Road. UDOT will repair all concrete, grass and sprinklers that are disturbed during the construction. The Real Estate Committee recommends the approval of this sale.
