Superintendent Martin W. Bates
Granite School District
2500 South State Street
Salt Lake City UT 84115-3110

Dear Dr. Bates:

At the Board of Education meeting scheduled for June 12, 2018, we would like to present, as an action item, the 2018-2019 elementary student fee schedule.

As discussed at the Board Meeting on April 10, 2018, we received some clarification from USBE on State Board Rules related to fees charged to students. The term "Fees" under R277-407 is interpreted very broadly by USBE. In the past, we have not maintained a fee schedule for elementary schools because school-sponsored afterschool programs were generally voluntary and no cost to parents. Because there are fees associated with some activities that could meet the definition of school-sponsored activities for which the District must offer fee waivers, we have elected to take a more conservative approach and establish a formal elementary fee schedule that is approved by the Board just like the secondary fee schedule.

Attached is the proposed elementary fee schedule, Doug Larson and I will make this presentation.

Sincerely,

John Welburn
Assistant Superintendent

Granite School District
2018-2019 Elementary School Fee Schedule

Elementary Schools may only collect fees, approved by the Board of Education, for activities related to before and after school extracurricular activities. All fees listed are the maximum amounts charged per pupil for each activity. Actual costs are determined by the local school and may vary. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
