Dear Dr. Bates:

The Granite School District was approached by the owner of Intermountain Boiler Company. The owner would like to sell the building and land to the School District. This property is located at 11 East Malvern Avenue, South Salt Lake City. The property is just south of the Wilson Elementary playground. The purchase price is \$265,000. The building is 2,496 square feet in size and sits on .14 acres of land. The Real Estate Committee recommends the approval of this purchase.
