

The logo features a stylized black 'V' shape. The left vertical stroke of the 'V' is composed of three stacked icons: a graduation cap, a stack of three books, and a rolled diploma. The right vertical stroke of the 'V' is a thick black line that curves upwards and to the right, ending in three arrows pointing in different directions. The word 'ELEVATE' is written in a bold, red, sans-serif font, with the 'V' shape integrated into the letter 'V'. A superscript '2' is positioned to the right of the word. Below the text is a thick red horizontal line, and below that is a thinner blue horizontal line.

CELEBRATING 26 YEARS OF COMPREHENSIVE COUNSELING IN GSD

A school counselor's work is about motivating and inspiring, about placement and success, about believing and doing right by every student.

When school counseling is organized and implemented as a program, it places school counselors at the center of education, making it possible for them to contribute directly and substantially to their local school and district.
