Dr. Martin W. Bates, Superintendent
Granite School District
2500 South State Street
Salt Lake City UT 84115

Dear Dr. Bates:

As a consent item at the Board of Education meeting on March 5, 2019, I would recommend that the Board of Education approve an overnight student travel application for the Skyline High School VEX Robotics team to attend the National Competition in Council Bluffs, Iowa. This team has participated in several robotics competitions in which they have won and received recognition for outstanding design of their robots.

Our current policy limits the locations that student can travel. In order for the students to attend this event, they would be traveling to a location that is not allowed in the current policy. Following careful review, I recommend that the Board of Education approve this request.

If you have any further questions, please let me know.

Sincerely,

John Welburn
Assistant Superintendent
School Accountability Services
