

# INCREASING STUDENT OPPORTUNITIES FOR RIGOROUS COURSEWORK IN HIGH SCHOOL

Equal Opportunity Schools

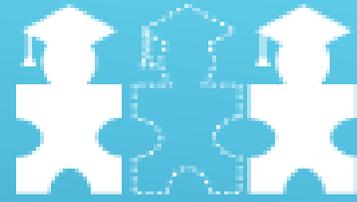

AP Updates

AP Capstone Diploma

Equal Opportunity Schools (EOS) collaborates with school districts to identify low-income students and students of color who qualify, but are missing from challenging college-preparatory courses, such as AP or concurrent enrollment classes. EOS then works with the schools to enroll these students in these classes and support their academic success.

# AP CAPSTONE DIPLOMA

- ▶ Students investigate a variety of topics through various viewpoints of their choice.
- ▶ Students complete a team project, individual research based essay/presentation, and take a written end-of-course exam.

# AP SEMINAR

Students explore various research methods and complete an independent research project.

At the end of the project, students submit their academic paper and present and defend their research findings.

# AP RESEARCH

AP Capstone candidates stand out:

- ▶ On college applications and essays because they demonstrate critical thinking, communication, and research skills.
- ▶ In college interviews because of their confidence, expertise, and passion when they talk about their unique academic projects.
- ▶ To college admissions officers because students know how to build evidence based arguments, apply research methods, work in teams, deliver professional presentations, and complete long-term academic projects.
