RE: Wayfinding and Directional Signage
Design Services for GEC Campus
\$98,000.00

Dear Dr. Bates:

The Purchasing Department received a request from the Architectural and Construction Services Department for wayfinding and directional signage design services for the GEC campus.

A request for statements of qualifications (RFSQ) was issued by the Purchasing Department seeking qualified architectural firms' proposals to perform the services. We received five proposals in response to the RFSQ. These proposals were scored against the published criteria in the RFSQ by an evaluation committee. The following is the ranking of the proposals:

Firm	Score
Selbert Perkins Design	88.8
Vendor 2	88.3
Vendor 3	73.5
Vendor 4	54.3
Vendor 5	34.8

Following the ranking the Purchasing Department negotiated a fair and reasonable fee for the project services with the highest ranked vendor as required by state law.

Permission is requested to contract with Selbert Perkins Design. The value of the contract will be \$98,000.00. Funds for this expenditure are to come from the Capital Outlay Budget.

Sincerely,

Jared Gardner
