Dear Board Members,

The Utah State Board of Education Rule R277-477-5B requires that the School Student Achievement Plans (SSAP's) be approved by the District Board of Education and submitted to the Utah State Office of Education along with the School Land Trust Plan. You will be asked to approve the plans as part of the March meeting's consent agenda. For the past several weeks, the School Leadership and Improvement Directors have reviewed the plans and guided principals in making any necessary changes. You are invited to review the SSAP's between now and March 3, 2020.

You can access the plans at <http://ssap.graniteschools.org/> on the Granite School District internet webpage and by following the outlined procedure below:

- Select a School (upper left corner)
- Click the green check mark by the school's 2019-20 plan
- Plans can be viewed online or printed (click Print in upper left corner)

For assistance accessing the plans online, please call the Department of Educational Equity at 385-646-4205 and ask for Garrett.

Thank you,

Charlene Lui
Director, Educational Equity
