Martin W. Bates
Superintendent, Granite School District
2500 S. State Street
Salt Lake City, UT 84115

Dear Dr. Bates:

The Granite School District was approached by Millcreek City and Holladay City, regarding the widening of 3900 South. The two cities are asking for a permanent easement of 138 square feet and a temporary easement of 543 square feet on the northwest sidewalk and planter area of the Olympus High School campus. The north parking lot will not be affected. Granite School District will receive \$4,575.00 as compensation for the easements. These funds also include payment for the repair to the bushes, ground cover, sprinklers, and any other required items. The Real Estate Committee recommends the approval of this transaction.
