SUBJECT: Hearing Notice for Eminent Domain Action

Dear Dr. Bates,

One agenda item for the Board meeting on August 4, 2020 is a hearing for the owners (O'Briens) of contractual property rights proposed to be taken via an eminent domain action. The property rights proposed to be taken are contractual restrictions on the District's use of the property recently acquired from the O'Briens. This hearing is required by statute to allow the Owners to be heard before the District votes on the filing of an eminent domain action.

A later agenda item is the Board vote to approve (or not) of the filing of an eminent domain action to take and pay an appraised value for the Owners' contractual property right restrictions (i.e., remove the restrictions).

Respectfully,

A handwritten signature in blue ink, appearing to read "Donald Adams".
