

COVID 19 Secondary School Service Pattern

Board of Education Meeting

August 4, 2020

Attendance Plans

- Regular Schedule
 - Traditional calendar approved by the Board of Education
- Dismissal Schedule – If required/recommended by Governor or HD
 - Similar to 4th quarter 2020
- Modified Schedule - If required/recommended by Governor or HD
 - Monday – Thursday
 - Students divided in half alphabetically in each network
 - Half attend Monday and Wednesday, half attend Tuesday and Thursday
 - Fridays are distance learning

- All schedules share a component of distance learning

Distance Learning Challenges

- Professional development
- Resources and tools
- Access for all students
- Planning time for teachers

Planning Time For Teachers

- Elementary teachers
 - Previously addressed in last month's board meeting
 - Working to designate teachers as face to face teachers or distance learning teachers based on student/parent requests that are due August 6, 2020
 - Teachers will need to be prepared to use both modalities if we need to move into a modified or dismissal schedule
- Secondary teachers
 - How do we get teachers using both modalities more planning time?
 - Last board meeting you tasked us to come back to you with a proposal

Consideration For Secondary

- Regular Schedule
 - Teachers would continue to teach using both modalities, face to face instruction and distance learning, Mondays-Thursdays
 - Fridays would be 100% distance learning
 - The High School late start time would be moved to Fridays, similar to the current Junior High Model
 - The additional time on Fridays without students in the building would be used for distance learning, collaboration, interventions and extensions, and planning
- Modified/Dismissal Schedule
 - Would remain the same as previously discussed

Questions/Comments/Feedback
