ARTICLE II

AUTHORIZATION, TERMS AND ISSUANCE OF BONDS

Section 201. Authorization of Bonds, Principal Amount, Designation and Series. In accordance with and subject to the terms, conditions and limitations established by the Bond Act and in this Bond Resolution, a series of General Obligation School Building Bonds of the Issuer is hereby authorized to be issued in the aggregate principal amount of up to Eighty-Eight Million Dollars (\$88,000,000), which shall be designated “*General Obligation School Building Bonds, Series 2020*.” If the Designated Officer determines pursuant to Sections 204(b)(i) and 209 hereof that the principal amount of the Bonds to be issued shall be less than Eighty-Eight Million Dollars (\$88,000,000), then the principal of such series of bonds shall be limited to the amount so determined by the Designated Officer.

Section 202. Purpose. The Bonds are hereby authorized to be issued under authority of the Bond Act for the purpose of (i) raising money to pay all or part of the cost of purchasing, constructing or otherwise acquiring one or more school sites, buildings and furnishings and improving existing school property under the charge of the Issuer, as authorized at the Bond Election and (ii) paying certain costs related to the issuance and sale of the Bonds.

Section 203. Issue Date. The Bonds shall be dated as of the Closing Date.

Section 204. Bond Details; Delegation of Authority. (a) The Bonds shall mature on June 1 of the years and in the principal amounts, and shall bear interest (calculated on the basis of a year of 360 days consisting of twelve 30-day months) from the Closing Date, payable semiannually on June 1 and December 1 of each year and at the rates per annum, all as provided in the Certificate of Determination.

(b) There is hereby delegated to the Designated Officer, subject to the limitations contained in this Bond Resolution, the power to determine and effectuate the following with respect to the Bonds and the Designated Officer is hereby authorized to make such determinations and effectuations:

(i) the principal amount of the Bonds necessary to accomplish the purpose of the Bonds set forth in Section 202 herein and the aggregate principal amount of the Bonds to be executed and delivered pursuant to Section 209 herein; *provided* that the aggregate principal amount of the Bonds shall not exceed Eighty-Eight Million Dollars (\$88,000,000);

(ii) the maturity date or dates and principal amount of each maturity of the Bonds to be issued; *provided, however*, that the final maturity of all Bonds shall not be more than twelve years after the issuance of the Bonds;

(iii) the interest rate or rates of the Bonds, *provided, however*, that the interest rate or rates to be borne by any Bond shall not exceed six percent (6.00%) per annum;

(iv) the sale of the Bonds pursuant to Section 703 herein and the purchase price to be paid by the Purchaser for the Bonds; *provided, however*, that the discount from par of the Bonds shall not exceed two percent (2.00%) (expressed as a percentage of the principal amount);

(v) the Bonds, if any, to be retired from mandatory sinking fund redemption payments and the dates and the amounts thereof;

(vi) the optional redemption date, if any, of the Bonds;

(vii) the use and deposit of the proceeds of the Bonds; and

(viii) any other provisions deemed advisable by the Designated Officer not materially in conflict with the provisions of this Bond Resolution.

The Board expects to issue the Bonds through a competitive sale. However, the Board delegates to the Designated Officer the authority to change the method of sale to a negotiated sale or private purchase, with the advice of the staff of the District and the Financial Advisor. In the event the Designated Officer determines to pursue a negotiated sale or a private purchase, the Designated Officer will sign a certificate stating the method of sale and the reason or reasons for pursuing a negotiated sale or a private purchase. If a negotiated sale or private purchase is pursued, the Designated Officer is authorized to select the Purchaser or underwriter and to obtain such information as he or she deems necessary to make such determinations as provided above.

If a competitive sale is pursued, immediately following the date and time specified in the Official Notice of Bond Sale attached to the Official Statement for the receipt of bids for the purchase of the Bonds, the Designated Officer shall obtain such information as he or she deems necessary to make such determinations as provided above and to determine the bid of the

responsible bidder that results in the lowest effective interest rate to the Issuer (the “Best Bidder”). Thereupon, the Designated Officer shall make such determinations as provided above, shall award the bid to the Best Bidder and shall execute the Certificate of Determination containing such terms and provisions of the Bonds, which execution shall be conclusive evidence of the awarding of such bid to the Best Bidder and the action or determination of the Designated Officer as to the matters stated therein. The provisions of the Certificate of Determination shall be deemed to be incorporated in Article II hereof. If the Designated Officer determines that it is in the best interest of the Issuer and the District, the Designated Officer may (a) waive any irregularity or informality in any bid or in the electronic bidding process; and (b) reject any and all bids for the Bonds.

(c) Each Bond shall bear interest from the interest payment date next preceding the date of registration and authentication thereof unless (i) it is registered and authenticated as of an interest payment date, in which event it shall bear interest from the date thereof, or (ii) it is registered and authenticated prior to the first interest payment date, in which event it shall bear interest from its Closing Date, or (iii) as shown by the records of the Bond Registrar, interest on the Bonds shall be in default, in which event it shall bear interest from the date to which interest has been paid in full. The Bond Registrar shall insert the date of registration and authentication of each Bond in the place provided for such purpose in the form of Bond Registrar’s certificate of authentication on each Bond. The Bonds shall bear interest on overdue principal at the respective rates provided in the Certificate of Determination.

Section 205. Denominations and Numbers. The Bonds shall be issued as fully-registered bonds, without coupons, in the denomination of \$5,000 or any whole multiple thereof, not exceeding the amount of each maturity. The Bonds of each series shall be numbered with the letter prefix “R-” and from one (1) consecutively upwards in order of issuance.

Section 206. Paying Agent and Bond Registrar. Zions Bancorporation, National Association, of Salt Lake City, Utah, is hereby appointed the initial Paying Agent and Bond Registrar for the Bonds. The Issuer may remove any Paying Agent and any Bond Registrar, and any successor thereto, and appoint a successor or successors thereto. The President and the Business Administrator are hereby authorized and directed to enter into an agreement or agreements with each Paying Agent (a “Paying Agent Agreement”), which may establish certain duties and obligations of the Paying Agent and Business Administrator, including, without limitation those duties and obligations set forth in Section 504 hereof. Each Paying Agent and Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Issuer a written acceptance thereof, which written acceptance may be contained in a Paying Agent Agreement. The principal of, and premium, if any, and interest on the Bonds shall be payable in any coin or currency of the United States of America that, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. Principal of and premium, if any, on the Bonds shall be payable when due to the owner of each Bond upon presentation and surrender thereof at the principal corporate trust office of the Paying Agent. Payment of interest on each Bond shall be made to the Person that, as of the Record Date, is the owner of the Bond and shall be made by check or draft mailed to the Person that, as of the Record Date, is the owner of the Bond, at the address of such owner as it appears on the registration books of the Issuer kept by the Bond Registrar, or at such other

address as is furnished to the Bond Registrar in writing by such owner on or prior to the Record Date.

Section 207. Redemption Prior to Maturity. (a) The Bonds may be subject to redemption prior to maturity, at the election of the Issuer, on the date specified in the Certificate of Determination (the “*First Redemption Date*”), if any, and on any date thereafter, in whole or in part, from such maturities or parts thereof as shall be selected by the Issuer, upon notice given as provided below, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption. Bonds maturing on or prior to the First Redemption Date are not subject to optional redemption.

(b) The Bonds may be subject to mandatory redemption by operation of sinking fund installments as provided in the Certificate of Determination. If the Bonds are subject to mandatory sinking fund redemption and less than all of the Bonds then outstanding are redeemed in a manner other than pursuant to a mandatory sinking fund redemption, the principal amount so redeemed shall be credited at 100% of the principal amount thereof by the Bond Registrar against the obligation of the Issuer on such mandatory sinking fund redemption dates for the Bonds in such order as directed by the Issuer.

(c) If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds or portion of Bonds of such maturity to be redeemed shall be selected at random by the Bond Registrar in such manner as the Bond Registrar in its discretion may deem fair and appropriate. The portion of any registered Bond of a denomination of more than \$5,000 to be redeemed will be in the principal amount of \$5,000 or a whole multiple thereof, and in selecting portions of such Bonds for redemption, the Bond Registrar will treat each such Bond as representing that number of Bonds of \$5,000 denomination that is obtained by dividing the principal amount of such Bond by \$5,000.

(d) Notice of redemption shall be given by the Bond Registrar by registered or certified mail, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, to the owner, as of the Record Date, of each Bond that is subject to redemption, at the address of such owner as it appears in the registration books of the Issuer kept by the Bond Registrar, or at such other address as is furnished to the Bond Registrar in writing by such owner on or prior to the Record Date. Each notice of redemption shall state the Record Date, the principal amount, the redemption date, the place of redemption, the redemption price and, if less than all of the Bonds are to be redeemed, the distinctive numbers of the Bonds or portions of Bonds to be redeemed, and shall also state that the interest on the Bonds in such notice designated for redemption shall cease to accrue from and after such redemption date and that on the redemption date there will become due and payable on each of the Bonds to be redeemed the principal thereof and interest accrued thereon to the redemption date. Each notice of optional redemption may further state that such redemption shall be conditional upon the receipt by the Paying Agent, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of and premium, if any, and interest on such Bonds to be redeemed and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Bond Registrar shall within a reasonable time

thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Failure to give such notice or any defect therein with respect to any Bond shall not affect the validity of the proceedings for redemption with respect to any other Bond.

(e) In addition to the foregoing notice under subsection (d) above, further notice of such redemption shall be given by the Bond Registrar as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner affect the validity of a call for redemption if notice thereof is given as prescribed above.

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed.

(ii) Each further notice of redemption shall be sent to DTC in accordance with the operating procedures then in effect for DTC, and to all other registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds designated to the Bond Registrar by the Issuer, to the Rating Agencies and to any other nationally recognized information services as designated by the Issuer to the Bond Registrar.

(f) If notice of redemption shall have been given as described above and the condition described in Section 207(d) hereof, if any, shall have been met, the Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated, and if, on the redemption date, moneys for the payment of the redemption price of all the bonds to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such bonds shall cease to accrue and become payable.

(g) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number or numbers identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(h) The Bond Registrar shall also give any notice of the redemption of the Bonds that may be required by the Continuing Disclosure Undertaking provided that the Issuer shall provide to the Bond Registrar any documents or other information that the Bond Registrar requests to provide such notice.

Section 208. Issuance, Sale and Delivery of Bonds. Under authority of the Bond Act, the Bonds shall be issued by the Issuer for the purpose set forth in Section 202 hereof. The Bonds

shall be delivered to the Purchaser and the proceeds of sale thereof applied as provided in the Certificate of Determination.

Section 209. Execution of Bonds. The Bonds shall be executed on behalf of the Issuer by the President and attested and countersigned by the Business Administrator (the signatures of the President and Business Administrator being either manual or by facsimile) and the official seal of the Issuer or a facsimile thereof shall be impressed or printed thereon in an aggregate principal amount necessary to accomplish the purpose of the Bonds specified in Section 202 herein; *provided* that the aggregate principal amount of the Bonds shall not exceed Eighty-Eight Million Dollars (\$88,000,000). The use of such manual or facsimile signatures of the President and the Business Administrator and such facsimile or impression of the official seal of the Issuer on the Bonds are hereby authorized, approved and adopted by the Issuer as the authorized and authentic execution, attestation, countersignature and sealing of the Bonds by said officials on behalf of the Issuer. The Bonds shall then be delivered to the Bond Registrar for manual authentication by it. Only such of the Bonds as shall bear thereon a certificate of authentication, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Bond Resolution, and such certificate of the Bond Registrar shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered under, and are entitled to the benefits of, this Bond Resolution and that the owner thereof is entitled to the benefits of this Bond Resolution. The certificate of authentication of the Bond Registrar on any Bond shall be deemed to have been executed by it if (i) such Bond is signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder or that all of the Bonds hereunder be authenticated by the same Bond Registrar, and (ii) the date of registration and authentication of the Bond is inserted in the place provided therefor on the certificate of authentication.

The President and the Business Administrator are authorized to execute, countersign, attest and seal from time to time, in the manner described above, Bonds (the “*Exchange Bonds*”) to be issued and delivered for the purpose of effecting transfers and exchanges of Bonds pursuant to Article III hereof. At the time of the execution, countersigning, attestation and sealing of the Exchange Bonds by the Issuer, the payee, principal amount, maturity and interest rate may be in blank. Upon any transfer or exchange of Bonds pursuant to Article III hereof, the Bond Registrar shall cause to be inserted in appropriate Exchange Bonds the appropriate payee, principal amount, maturity and interest rate. The Bond Registrar is hereby authorized and directed to hold the Exchange Bonds and to complete, authenticate and deliver the Exchange Bonds for the purpose of effecting transfers and exchanges of Bonds; *provided* that any Exchange Bonds authenticated and delivered by the Bond Registrar shall bear the same series, maturity and interest rate as Bonds delivered to the Bond Registrar for exchange or transfer and shall bear the name of such payee as the Bondowner requesting an exchange or transfer shall designate; and *provided further* that upon the delivery of any Exchange Bonds by the Bond Registrar a like principal amount of Bonds submitted for transfer or exchange, and of like series and having like maturity dates and interest rates, shall be canceled. The execution, countersignature, attestation and sealing by the Issuer and delivery to the Bond Registrar of any Exchange Bond shall constitute full and due authorization of such Bond containing such payee, principal amount, maturity and interest rate as the Bond Registrar shall cause to be inserted, and the Bond Registrar shall thereby be authorized to authenticate and deliver such Exchange Bond in accordance with the provisions hereof.

In case any officer whose signature or a facsimile of whose signature shall appear on any Bond (including any Exchange Bond) shall cease to be such officer before the issuance or delivery of such Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such issuance or delivery, respectively.

Section 210. Delivery of the Bonds; Application of Proceeds. The Business Administrator is hereby authorized and instructed to make delivery of the Bonds to the Purchaser and to receive payment therefor in accordance with the terms of the Certificate of Determination and to set the proceeds of sale of the Bonds aside for deposit into the Project Account.

Section 211. Continuing Disclosure Undertaking. The President is hereby authorized, empowered and directed to execute and deliver, and the Business Administrator to seal, countersign and attest, the Continuing Disclosure Undertaking and the related Dissemination Agency Agreement (collectively, the “*Continuing Disclosure Undertaking*”) in substantially the same forms as now before the Issuer and attached hereto as *Exhibits 1* and *2*, respectively, or with such changes therein as the President shall approve, his execution thereof to constitute conclusive evidence of his approval of such changes. When the Continuing Disclosure Undertaking is executed and delivered on behalf of the Issuer as herein provided, the Continuing Disclosure Undertaking will be binding on the Issuer and the officers, employees and agents of the Issuer, and the officers, employees and agents of the Issuer are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Bond Resolution, the sole remedies for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under the Continuing Disclosure Undertaking.

Section 212. Further Authority. The President and the Business Administrator and other officers of the Issuer are, and each of them is, hereby authorized to do or perform all such acts and to execute all such certificates, documents and other instruments as may be necessary or advisable to provide for the issuance, sale, registration and delivery of the Bonds and to fulfill the obligations of the Issuer hereunder and thereunder.

Section 213. Establishment of Accounts. (a) The following accounts on the accounting records of the Issuer are hereby created, which are to be held as follows:

- (i) Bond Account, to be held by the Issuer;
- (ii) Depository Account, to be held by the Paying Agent; and
- (iii) Project Account, to be held by the Issuer.

(b) Pending application for the purposes contemplated hereby, moneys on deposit in the Bond Account, Depository Account and the Project Account shall be invested as permitted by law in investments approved by the Business Administrator or other authorized officer of the Issuer.

Following the earlier of 90 days after the Closing Date or the date upon which all of the costs of issuance of the Bonds have been paid, any moneys remaining to pay costs of issuance from the sale proceeds of the Bonds shall be transferred by the Issuer into the Bond Account.

TRANSFER AND EXCHANGE OF BONDS; BOND REGISTRAR

Section 301. Transfer of Bonds. (a) Any Bond may, in accordance with its terms, be transferred, upon the registration books kept by the Bond Registrar pursuant to Section 303 hereof, by the Person in whose name it is registered, in person or by such owner's duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Bond Registrar. No transfer shall be effective until entered on the registration books kept by the Bond Registrar. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon and for all other purposes whatsoever.

(b) Whenever any Bond or Bonds shall be surrendered for transfer, the Bond Registrar shall authenticate and deliver a new fully-registered Bond or Bonds (which may be an Exchange Bond or Bonds pursuant to Section 209 hereof) of the same series, designation, maturity and interest rate and of authorized denominations duly executed by the Issuer, for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondowner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. With respect to each Bond, no such transfer shall be required to be made (i) after the Record Date with respect to any interest payment date to and including such interest payment date, or (ii) after the Record Date with respect to any redemption of such Bond.

(c) The Bond Registrar shall not be required to register the transfer of or exchange any Bond selected for redemption, in whole or in part, except the unredeemed portion of Bonds being redeemed in part. Upon surrender of any Bond redeemed in part only, the Issuer shall execute, and the Bond Registrar shall authenticate and deliver to the Bondowner at the expense of the Issuer, a new Bond or Bonds (which may be an Exchange Bond or Bonds pursuant to Section 209 hereof) of the same series, designation, maturity and interest rate and of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

Section 302. Exchange of Bonds. Bonds may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of fully-registered Bonds (which may be an Exchange Bond or Bonds pursuant to Section 209 hereof) of the same series, designation, maturity and interest rate of other authorized denominations. The Bond Registrar shall require the payment by the Bondowner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. With respect to each Bond, no such exchange shall be required to be made after the Record Date with respect to any interest payment date to and including such interest payment date.

Section 303. Bond Registration Books. This Bond Resolution shall constitute a system of registration within the meaning and for all purposes of the Registered Public Obligations Act, Chapter 7 of Title 15 of the Utah Code. The Bond Registrar shall keep or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Issuer; and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register, or transfer or cause Bonds to be registered or transferred on those books as herein provided.

Section 304. List of Bondowners. The Bond Registrar shall maintain a list of the names and addresses of the owners of all Bonds and upon any transfer shall add the name and address of the new Bondowner and eliminate the name and address of the transferor Bondowner.

Section 305. Duties of Bond Registrar. If requested by the Bond Registrar, the President and the Business Administrator are authorized to execute the Bond Registrar's standard form of agreement between the Issuer and the Bond Registrar with respect to the compensation, obligations and duties of the Bond Registrar hereunder, which may include the following:

ARTICLE IV

BOOK-ENTRY SYSTEM; LIMITED OBLIGATION OF ISSUER; LETTER OF REPRESENTATIONS

Section 401. Book-Entry System; Limited Obligation of Issuer. (a) The Bonds shall be initially issued in the form of a separate, single, certificated, fully-registered Bond for each of the maturities set forth in Section 204 hereof. Upon initial issuance, the ownership of each such Bond

shall be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC. Except as provided in Section 403 hereof, all of the outstanding Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC.

(b) With respect to Bonds registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, the Issuer, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Participant or to any Person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other Person, other than a Bondowner, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Bonds, or (iii) the payment to any Participant or any other Person, other than a Bondowner, as shown in the registration books kept by the Bond Registrar, of any amount with respect to the principal of or premium, if any, or interest on the Bonds. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the holder and absolute owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to the respective Bondowners, as shown in the registration books kept by the Bond Registrar, or their respective attorneys duly authorized in writing, as provided in Section 206 hereof, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than a Bondowner, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Bond evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Bond Resolution.

(c) Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions herein with respect to Record Dates, the word "*Cede*" in this Bond Resolution shall refer to such new nominee of DTC; and upon receipt of such a notice the Issuer shall promptly deliver a copy of the same to the Bond Registrar and the Paying Agent.

Section 402. Letter of Representations. The Issuer's prior execution and delivery of the Letter of Representations shall not in any way limit the provisions of Section 401 hereof or in any other way impose upon the Issuer any obligation whatsoever with respect to Persons having interests in the Bonds other than the Bondowners, as shown on the registration books kept by the Bond Registrar. In the written acceptance of each Paying Agent and Bond Registrar referred to in Section 206 hereof, such Paying Agent and Bond Registrar, respectively, shall agree to take all action necessary for all of DTC's operational arrangements pertaining to the Paying Agent and Bond Registrar, respectively, to at all times be complied with.

Section 403. Transfers Outside Book-Entry System. At the option of the Issuer or upon receipt by the Issuer of written notice from DTC that DTC is unable or unwilling to discharge its responsibilities, and no substitute depository willing to undertake the functions of DTC hereunder can be found that is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, but may be registered in whatever name or names Bondowners transferring or exchanging Bonds shall designate, in accordance with the provisions of Article III hereof.

Section 404. Payments to Cede. Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

ARTICLE V

COVENANTS AND UNDERTAKINGS

Section 501. Covenants of Issuer. All covenants, statements, representations and agreements contained in the Bonds and all recitals and representations in this Bond Resolution are hereby considered and understood, and it is hereby confirmed that all such covenants, statements, representations and agreements are the covenants, statements, representations and agreements of the Issuer.

Section 502. Levy of Taxes; Bond Account. The Issuer covenants and agrees that to pay the interest falling due on the Bonds as the same becomes due, and also to provide a sinking fund for the payment of the principal of the Bonds at maturity, there shall be levied on all taxable property in the District in addition to all other taxes, a direct annual tax sufficient to pay the interest on the Bonds and to pay and retire the same. These taxes when collected shall be applied solely for the purpose of the payment of the interest on and principal of the Bonds, respectively, and for no other purpose whatsoever until the indebtedness so contracted under this Bond Resolution, principal and interest, shall have been fully paid, satisfied and discharged, but nothing herein contained shall be so construed as to prevent the Issuer from applying any other funds that may be in the Issuer's treasury and available for that purpose to the payment of such interest and principal as the same respectively become due and mature. The levy or levies herein provided for may thereupon be diminished to that extent. The sums herein provided for to meet the interest on the Bonds and to discharge the principal thereof when due are hereby appropriated for that purpose, and the required amount for each year shall be included by the Issuer in its annual budget and its statement and estimate as certified to the County Council of Salt Lake County, Utah, in each year. Principal or interest falling due at any time when there shall not be available from the proceeds of the levies described in this Section money sufficient for the payment thereof shall, to the extent of such deficiency, be paid from other funds of the Issuer available for such purpose, and such other funds shall be reimbursed when the proceeds of such levies become available.

The taxes or other funds that are referenced in the foregoing paragraph and that are to be used to pay the principal of or interest on the Bonds shall be deposited into the Bond Account. On or prior to the date preceding each principal or interest payment date for the Bonds on which monies are required by the Bond Guaranty Act to be on deposit with the Paying Agent sufficient for the payment of the principal of and interest on the Bonds, but in any event not later than the business day next preceding each such payment date, the Issuer shall transfer from the Bond Account to the Paying Agent for deposit into the Depository Account an amount sufficient to pay principal of and interest on the Bonds on such payment date. Moneys remaining on deposit in the Bond Account immediately after each such payment date, including any investment earnings thereon earned during the period of such deposit, shall, at the request of the Issuer, be immediately withdrawn from the Bond Account by the Issuer and applied in accordance with State law governing the application of such moneys and federal tax law relating to the Tax Status of the Bonds. Moneys remaining on deposit in the Depository Account immediately after each such payment date, including any investment earnings thereon earned during the period of such deposit, shall be immediately withdrawn from the Depository Account by the Paying Agent and paid to the Issuer and applied in accordance with State law governing the application of such moneys and federal tax law relating to the Tax Status of the Bonds. The Bond Account and the Depository Account have been established primarily to achieve a proper matching of revenues and debt service on the Bonds. The Bond Account and the Depository Account shall be depleted at least once each year by the Issuer, except for a reasonable carryover amount not to exceed the greater of one year's earnings on the Bond Account or one-twelfth of the annual debt service on the Bonds.

Section 503. Arbitrage Covenant; Covenant to Maintain Tax-Exemption. (a) The President, the Business Administrator and other appropriate officials of the Issuer are hereby authorized and directed to execute such Tax Certificates as shall be necessary to establish that (i) the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations, (ii) the Bonds are not and will not become "private activity bonds" within the meaning of Section 141 of the Code, (iii) all applicable requirements of Section 149 of the Code are and will be met, (iv) the covenants of the Issuer contained in this Section will be complied with and (v) interest on the Bonds is not and will not become includible in gross income of the owners thereof for federal income tax purposes under the Code and applicable Regulations.

(b) The Issuer covenants and certifies to and for the benefit of the owners from time to time of the Bonds that:

(i) it will at all times comply with the provisions of any Tax Certificates;

(ii) it will at all times comply with the rebate requirements contained in Section 148(f) of the Code and the Regulations, including, without limitation, the entering into any necessary rebate calculation agreement to provide for the calculations of amounts required to be rebated to the United States, the keeping of records necessary to enable such calculations to be made, the creation of any rebate fund to provide for the payment of any required rebate and the timely payment to the United States of all amounts, including any applicable penalties and interest, required to be rebated, except to the extent that the Bonds are not subject to such arbitrage rebate requirements;

(iii) no use will be made of the proceeds of the issue and sale of the Bonds, or any funds or accounts of the Issuer that may be deemed to be proceeds of the Bonds, pursuant to Section 148 of the Code and applicable Regulations, which use, if it had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code;

(iv) it will not use or permit the use of any of its facilities or properties in such manner that such use would cause the Bonds to be “private activity bonds” described in Section 141 of the Code;

(v) no bonds or other evidences of indebtedness of the Issuer (other than the Bonds) have been or will be issued, sold or delivered within a period beginning fifteen (15) days prior to the sale of the Bonds and ending fifteen (15) days following the delivery of the Bonds, other than the Bonds;

(vi) it will not take any action that would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the owners of the Bonds as provided in Section 103 of the Code, nor will it omit to take or cause to be taken in timely manner any action, which omission would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the owners of the Bonds as provided in Section 103 of the Code;

(vii) it recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is excludable from gross income of the owners thereof for federal income tax purposes under laws in force at the time the Bonds are initially delivered and the Issuer agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form without an opinion of Bond Counsel to the effect that such action will not adversely affect the excludability of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes; and

(viii) it acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the Issuer may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination.

Pursuant to these covenants, the Issuer obligates itself to comply throughout the term of the issue of the Bonds with the requirements of Section 103 of the Code and the Regulations proposed or promulgated thereunder.

Section 504. Bond Guaranty Act. (a) The Board hereby finds and determines that it is in the best interest of the District for the Bonds to benefit from the guaranty provided by the State of Utah pursuant to the Bond Guaranty Act. Pursuant to the Bond Guaranty Act and subject to having a Certificate of Eligibility from the State of Utah in force at the time of the issuance of the Bonds, the guaranty of the State of Utah is pledged for the benefit of the Bonds pursuant to the Bond

Guaranty Act. The Board hereby authorizes, empowers and directs the President, the Business Administrator and the employees, officers and agents of the District to do or perform all such acts and to execute all such certificates, documents and other instruments as may be necessary or advisable in connection with the guaranty of the State of Utah for the benefit of the Bonds pursuant to the Bond Guaranty Act.

(b) Without limiting the general authorization in subparagraph (a) above, the Business Administrator is hereby authorized and directed to take such actions as are required by the Bond Guaranty Act, including, without limitation, transferring monies sufficient for the scheduled payment of principal of or interest on the Bonds to the Paying Agent, for deposit into the Depository Account, at the times required under the Bond Guaranty Act and providing any notices with respect to the Bonds that the Business Administrator or the Issuer is required to provide under the Bond Guaranty Act.

(c) If sufficient funds have not been transferred to the Paying Agent, as required by the Bond Guaranty Act, the Paying Agent is hereby authorized and directed to take such actions as are required or authorized by the Bond Guaranty Act to obtain monies to provide for the payment of the principal of and interest on the Bonds when due, all in accordance with the provisions of the Bond Guaranty Act.

NOTICE OF BONDS TO BE ISSUED

NOTICE IS HEREBY GIVEN pursuant to the provisions of Section 11-14-316, Utah Code Annotated 1953, as amended, that on September 1, 2020 the Board of Education of Granite School District, Utah (the "*Board*"), adopted a resolution (the "*Resolution*") in which it authorized and approved the issuance of its general obligation bonds (the "*Bonds*"), in one or more series, in the aggregate principal amount of not to exceed Eighty-Eight Million Dollars, to bear interest at a rate or rates of not to exceed six percent per annum, to mature over a period not to exceed twelve years from their date or dates and to be sold at a discount from par, expressed as a percentage of the principal amount, of not to exceed two percent. Under current market conditions, the lowest cost of capital for the debt represented by the Bonds may be achieved by selling the Bonds at a significant premium. Any such premium will be applied by the Board for the purposes for which the Bonds are being issued but will not be treated as principal for the purpose of determining the amount of voter authorization used in connection with the issuance of the Bonds.

Pursuant to the Resolution, the Bonds are to be issued for the purpose of raising money for purchasing one or more school sites, buildings and furnishings and improving existing school property under the charge of the Board. The Bonds are to be issued and sold by the Board pursuant to the Resolution.

The Board currently has \$232,355,000 par amount of bonds currently outstanding that are secured by the full faith and credit of the Board. More detailed information relating to the Board's outstanding bonds can be found in the Board's most recent Basic Financial Statements that are available on the Office of the Utah State Auditor's website (www.auditor.utah.gov). The estimated total cost to the Board, if such Bonds are held until maturity and based on estimated interest rates currently in effect, is \$ _____.

A copy of the Resolution is on file in the office of the Business Administrator of Granite School District at 2500 South State Street, in Salt Lake City, Utah, where the Resolution may be examined during regular business hours of the Business Administrator from 8:00 a.m. to 5:00 p.m. The Resolution shall be so available for inspection for a period of at least thirty (30) days from and after the date of the publication of this notice.

NOTICE IS FURTHER GIVEN that pursuant to law for a period of thirty (30) days from and after the date of the publication of this notice, any person in interest shall have the right to contest the legality of the above-described Resolution of the Board or the Bonds authorized thereby or any provisions made for the security and payment of the Bonds. After such time, no one shall have any cause of action to contest the regularity, formality or legality of the Resolution, the Bonds or the provisions for their security or payment for any cause.
