

School Fee Rules & Revisions to Fee Schedule

Second Reading 2022

Current School Fee Rules

Significant Change that Impacts Granite Moving Forward

- Textbook rule:

(a) Beginning with the 2022-23 school year, an LEA:

(i) except as provided in Subsection (3)(a)(ii), **may not** sell textbooks or otherwise **charge a fee** for textbooks or the maintenance costs of school equipment; and

(ii) may only charge a fee for a textbook required for an Advanced Placement or, as described in Section 53E-10-302, a concurrent enrollment course.

UCA 53G-7-601(5):

- (a) "Textbook" means **instructional material** *necessary for participation* in an activity, course, or program, regardless of the format of the material.
- (b) "Textbook" **includes:**
 - (i) a hardcopy book or printed pages of instructional material, including a consumable workbook; or
 - (ii) computer hardware, software, or digital content.

UCA 53G-7-601(5) Continued:

(c) "Textbook" **does not include** instructional equipment or instructional supplies.

“**Instructional supply**” means a consumable or non-reusable supply that is necessary for a student to use as part of an activity, course, or program in a secondary school.

“Instructional supply” includes:

- (i) prescriptive footwear;
- (ii) brushes or other art supplies, including clay, paint, or art canvas;
- (iii) wood for wood shop;
- (iv) Legos for Lego robotics;
- (v) film; or
- (vi) filament used for 3D printing.

Instructional Equipment

53G-7-601 Definitions

(a) “**Instructional equipment**” means an activity-related, course-related, or program-related tool or instrument that:

- (i) is required for a student to use as part of an activity, course, or program in a secondary school;
- (ii) typically becomes the property of the student upon exiting the activity, course, or program; and
- (iii) is subject to a fee waiver.

(b) “Instructional equipment” includes:

- (i) shears or styling tools;
- (ii) a band instrument;

- (iv) a stethoscope; or
- (v) sports equipment, including a bat, mitt, or tennis racquet.

(c) “Instructional equipment” does not include school equipment.

School Equipment

Means a durable school-owned machine, equipment, or tool used by a student as part of an activity, course, or program in a secondary school.

R277-407-2(18)

School Equipment includes a saw or 3D printer

Potential Losses to Secondary Schools

Textbook expenditures from school funds for 2020-21 were \$409,000 in secondary schools

Factors to consider:

- Lower number of students that were face to face
- Did not include funds expended in non-textbook accounts for items that now qualify as textbooks under the new USBE rule (for example, software, sheet music, etc.)
- ~~USBE has stated that extra-curricular textbook like expenditures are not bound by the new rule~~
- Some of the funds used to purchase textbooks may not have been from fee revenues (district allocations)

Total estimated loss to secondary schools is ~~\$500,000~~ \$600,000

Co-Curricular and Extra-Curricular Potential Losses

Co-Curricular

- Sheet Music
- Spotify Subscription
- Play Scripts

Extra-curricular

- Football play books or software
- A required team building book for all Rugby players to read
- Robotic specs/diagrams

(a) "Textbook" means **instructional material** necessary for participation in an activity, course, or program, regardless of the format of the material.

2022-2023 Proposed Schedule of Non-Waivable Charges and Fines

Granite School District

DRAFT 4/12/22 2022-2023 Schedule of Non-Waivable Charges and Fines

All items listed below are non-waivable charges and not subject to fee waiver. "Non-waivable charge" means a cost, payment, or expenditure that is a personal discretionary charge or purchase. This is not an all inclusive list of all non-waivable charges or items that a school may offer for sale to students or the general public. Some of the items listed are subject to Utah state sales tax, as noted below. The Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable. Fines listed are per occurrence.
