

Granite School District
2022-2023 Elementary School Fee Schedule

Fee Amounts and Spend Plans - All fees listed on this schedule are the maximum amounts approved by the Board of Education that a school may charge per pupil for participation in the named activity, class, group, or team. The types of expenditures funded with student fees include ancillary personnel costs, educational services, employee training, professional services, technical services, student travel, advertising services, printing services, activity and student supplies, student food, technology supplies, equipment and facility enhancements, and club dues. Planned expenditures vary by program and school due to the unique needs and specific plans made at each school. Prior to registration, the fee amounts and associated spend plans approved by the principal for each program at each school are published online at schoolfees.graniteschools.org. Parents are encouraged to refer to their school's fee schedule for detailed fee and spend plan information. For school activities that involve tryouts, participants must be selected before fees are assessed. **All fees are subject to fee waiver.**
