Dr. Rich K Nye, Superintendent
Granite School District
2500 South State Street
Salt Lake City UT 84115-3110

Dear Dr. Nye,

As a consent agenda item at the November 1, 2022, Board of Education meeting, I request the Board approve the following amendments to the 2022-2023 School LAND Trust plan:

- Cottonwood High School
 - Council added additional options for school to spend on unused funds, including new language of "Coaching and professional development opportunities for teachers and staff. "
 - Approved by the School Community Council on 10/04/2022.
- Robert Frost Elementary
 - Consolidates the three school goals into two, focusing on the reading and math goal and not the third one emphasizing district benchmarks.
 - Approved by the School Community Council on 7/9/2022.
- Wilson Elementary
 - Moves \$622.84 from salaries and benefits to teacher supplies. Also incorporates after school tutoring as part of salary and benefit budget.
 - Approved by the School Community Council on 9/12/2022.
- Eisenhower Jr.
 - Use funding to pay for 0.5 salary of three science teachers rather than purchase Chromebooks, allowing the school to keep all teachers and provide more support and smaller classes in science.
 - Approved by the School Community Council on 9/14/22
- Hartvigsen School
 - Move Paraprofessional from LAND Trust to FTE
 - Approved by the School Community Council on 10/11/22

Sincerely,

Rick Anthony
Assistant Superintendent
Educator Support and Development Services
