

Granite School District Appropriate Use Policy

Student Technology Use Agreement

The use of technology can be valuable to a student's education. Use of District owned technology and school Internet access is a privilege which may be authorized as well as withdrawn. Students are expected to be aware of and abide by the following:

1. Student Personal Safety

Personal contact information may not be entered on Internet sites open to public access. This includes student addresses, phone numbers, personal e-mail addresses and other personal information.

2. Expectation of Privacy

Students do not have an expectation of privacy in files, disks, documents, e-mail, etc., which have been used or created with District equipment.

3. Student Data Privacy

Utah state law requires each school district to disclose with which 3rd parties the district contractually shares student information. GSD posts this information on its academic technology web page under the *Student Data Privacy Info* tab.
