

Granite School District

2018-2019 Junior High School Fee Schedule

All fees listed are the maximum amounts charged per pupil for each activity, class or athletics participation. Actual costs are determined by the local school and may vary. All monies spent for each group or activity, including student contributions, fund raisers and donations, must be counted as part of the maximum cost per student for each group or activity. These fees, with the exception of camps, do not include additional costs of any overnight travel. For junior high school activities and athletics that require fees, tryouts must be concluded and the participants selected before fees are assessed. Some of the listed fees are subject to Utah state sales tax. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
