

Granite School District

2019-2020 Senior High School Fee Schedule

All fees listed are the maximum amounts charged per pupil for each activity, class or athletics participation. Actual fees are determined by the local school and may vary. For senior high school activities and athletics that require fees, tryouts must be concluded and the participants selected before fees are assessed. Some of the listed fees are subject to Utah state sales tax. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
