

MESA Parent Survey

School _____

Grade _____

Years in MESA _____

In order to better serve the needs of our MESA students, please answer the following questions.

1. How has participation in MESA helped your child?
2. What math and/or science classes has your child taken this school year?
3. What events/activities have been the most beneficial to your child this year?
4. What events/activities has your child liked the least?
5. How as a parent could you be more involved in MESA?

Thank you for supporting your child in the MESA program?
